Why Us

“

We wanted to incorporate a Property Company in Singapore but had no idea who to go to. We were then referred to Helen and her team and we can assure you that I we weren't disappointed at all. Their level of commitment is commendable.

”

Brett Raguse

Director, Micasa Property Consultants Pte. Ltd.

“

Very few firms in Singapore can assist with the formation of a company limited by guarantee. Not only did Helen Campos and her team incorporate the company well, they even assisted with the application of a charity status for the company as well. ”
